

PLANT Municipal Advisory Committee Minutes
October 28, 2003

Meeting was call to order at 7:15 p.m. and Mrs. Harris led us in pray. The minutes from October 2nd was read by Mrs. Dodson. Motion to approve was made by Mr. Edwards and seconded by Mrs. Steele. All agreed. An update on the boundaries was made by Mr. Adams. He spoke to Mrs. Sorensen about the boundary issue and she said she would do whatever she could to help. Commissioner Moss set up a meeting with REMAC on 10/29/03 to discuss the boundary issue. The Redland Edge Committee will be contacted to join. Mr. Edwards ask if the meeting was opened to the public and the board. Because of the Sunshine Law, only one person on the MAC can be present but all the information would be presented at the next meeting. The two people who want to be added to the board are still in the processing part. Mr. Ford passed out a copy of the "Review of Revenues & Expenses on UMSA." This represents the current boundaries and the results show "cost more then revenue at this time." THIS IS NOT A BUDGET! Some Macs have retained private consultants to help with budgets and the county checks all the numbers and files a report to the MAC. Mr. Adams will ask Miami Gardens Mayor Gibson and Florida City Mayor Wallace to help us understand how a city operates and to identify streams of revenue. The motion to invite both mayors was made by Mr. Adams and seconded by Mrs. Steele. All agreed. Mr. Adams presented a copy of a flyer that would be passed out to the public. The public can always ask questions and most of the presentations will be informational. Mr. Adams will be calling upon others to hand out flyers. Section B of the Miami Herald has the announcement of our meeting. A List of Board members will be available at the next meeting. Motion to adjourn was made by Mr. Edwards and seconded by Mr. Adams. All agreed. Meeting adjourned at 7:55 p.m. Next meeting will on November 13, 2003.
